INT.OFFICE.DAY

The Senior Agent is standing by a dry bar, mixing Kool-Aid in a rocks glass.

SENIOR AGENT

We have a bit of intelligence for you. We've just detained Dr. Madd's assistant and top henchman. He's in interrogation now. Hopefully this will help you.

INT.INTERROGATION ROOM.UNKNOWN

The room is bleak and sterile. Two FBI agents are looming over the camera.

FBI CASE FILE: 366546

LOCATION: Classified

TIME: 3:57 PM

Interrogators: Agent Dimm & Agent Bulb

DIMM

I'm only gonna go over this one more time. We know who you're working for. We know you were at the water plant with the toxic serum.

BULB

Your buddies in the other room? They're singing like canaries. Now you can make a deal with us and tell us where the antidote is, or you can rot in federal prison for the rest of your life.

At the other end of the table sits CUDDLE PANTS, a hamster.

BULB

(Throwing Papers)

You think we're playing here! I swear, you little rat, I will bury you under the cage!

DIMM

(Interrupting)

Bulb! Bulb! Calm down! Go get some coffee! Take a breather!

Bulb walks out, slamming the door. Dimm leans on the table, exasperated.
